Volunteer Interests

CISV is reliant on adult and Junior Branch (youth) volunteers to make its programs possible. Select the areas in which you/your family members may be willing to help. This will not commit you to specific committees or tasks but will assist the chapter in identifying volunteer opportunities based on your areas of interest.

Areas of Interest (Check all that apply)

Communications: announcements, newsletters, publicity, media relations
 Hospitality: provide food/snacks, organize potlucks or other events
 Programs: delegate/leader selection, coordinate Fun Days, local training
 Finance: fundraising, grant-writing, budgeting, accounting, banking
 Junior Branch: assist with, chaffeur for, chaperone youth activities
 Technology: website maintenance, database management
 Paperwork: create forms, proof submitted forms, take meeting minutes
 Community: recruit, school/civic group presentations, local outreach
